Reflection: Loving God, We praise your name with all you have created. You are present in the whole universe, and in the smallest of creatures. We acknowledge the responsibilities you have placed upon us as stewards of your creation. May the Holy Spirit inspire all political leaders at COP26 as they seek to embrace the changes needed to foster a more sustainable society. Instil in them the courage and gentleness to implement fairer solutions for the poorest and most vulnerable, and commit their nations to the care of Our Common Home. We ask this through Our Lord Jesus Christ your Son. Amen
