Reflection:

After death and resurrection comes the Spirit of love. Love given, love received and love shared. Anything real about the resurrection always ends in being sent by God on the mission of Jesus. He gives little instruction about the mission nor even what it may entail. But it entails being led by God. Life for Jesus is life with Jesus and with the grace of God. We are never alone. This is the company and the friendship at the source of the life of the soul, and which keeps our unique personality alive. This love comes in prayer and in love and in our loving service of others. This is mission with and for the risen Jesus Christ. Risen Lord, increase my faith, hope and love.
