Reflection: by Donal Neary

God invests in us. He wants us to do our best in minding his house. His community and Church are the people to whom he entrusts his life's work.

We spread the kingdom in simple ways every day - care, hospitality, work for justice, compassion, with the gifts and talents we have. He has given us the gifts - we are to use them in his service. We do our best and God, the architect, is continually building with us.
