#### Reflection:

Isn't the greatest gift one can give to another the gift of oneself? Gifts can be sent in the post, credited and impersonally given; a gift can be chosen quickly or with care. The gift expressing the giver's personality or the relationship between two people is most welcomed.

That's the gift of the Eucharist; The bread that I shall give is my flesh, for the life of the world. This means, it is myself. When I give my time and listen, when I share my experience, or speak from the heart, or risk opening myself that another person may grow then I am giving myself and this is what Jesus does.

Eucharist is the place where we are welcomed by the Lord. Eucharist is where the word of hope that is the Reign of God is shared with us.
