Parish/Diocesan News

Family Mass: Please note the Family Mass scheduled for September 27th has been postponed. A new date will be circulated shortly.

With this year's theme for the **Season of Creation** (1st September to 4th October) on **Living Water**, we might well ask how we can focus on water and tend for water in spaces around us locally; this could be by learning more about how much water we consume, with a mind for how over-consumption can affect others around the world. It might inspire us to join in a river or beach clean-up, so that together with others, we contribute to improving our waterways. There are many ways we can inform ourselves to see where our gifts can be used to create and restore. In these hands-on ways, we are also like the sons in the vineyard of today's gospel, making a choice to work towards a healthy and flourishing world to pass on to future generations.
